8:30 a.m. – 6:00 p.m. Lake Carolyn, Irving, Texas at Las Colinas Urban Center

**By signing my name below, I, as the Captain of this team, representing each member in the team, agree to all the following terms and conditions:**

We (the participating team) understand that the team captain is responsible for liaising with race officials, providing proof of identity for his or her team members, ensuring all crew members are familiar with all the rules and regulations, marshalling his or her team to the Marshalling Area at the appropriate time, verifying his or her team's registration materials, and representing the team at ceremonies.

We understand that final team qualification is subjected to the approval of the Annual DFW Dragon Boat, Lite and Lantern Festival Committee ("Festival Committee"), and that the Festival Committee reserves the right to make necessary changes to the race categories to accommodate the event.

We understand that no outside food (including but not limited to BBQ, picnic, tailgate party, etc.) is allowed due to conflicting interest with event vendors and potential safety hazard.

We understand that members of the team will not be allowed to board the boat until a waiver form is signed and turned in to the Festival Committee.

We understand that the registration fee is non-refundable should the team decide to withdraw from the race or should the race be canceled for reasons beyond the Festival Committee's control.

We understand that eligibility to compete in the "community category" is straightly under the discretion of MPWF. "Community team" is defined as a non-profit organization that is not in any way affiliated or supported by any business and/or corporate.

We understand that community teams are not to conduct any commercial or marketing activity, and this includes but is not limited to, advertisements, soliciting, display of team banners, team merchandise sell, etc. Any promotional material will be removed and returned at the end of the festival. And if offend again, promotional material will be removed again, and the team will be responsible for a payment that equals the difference of registration fee of a community team versus that of a corporate team. This payment is due in full prior the race of the team.

We understand that community team members are allowed to wear shirts and/or uniforms only displaying their own team names and logos. Wearing shirts and/or uniforms that shows logos or names other than the team name will cause the team to be upgraded to a corporate team and the team will be responsible for a payment that equals the difference of registration fee of a community team versus that of a corporate team. This payment is due in full prior the race of the team.

We will consult MPWF public relations and vendor team for advertising and marketing opportunity by upgrading to compete as a corporate team.
